As I was finishing, the NRC paragraph just seemed like old news and maybe they wouldn't include it at this point. But I'll send again, in case it gets someone to respond.

Thank for reviewing this Karen. Maybe you want to respond to the whole group so they get the benefit of your input? I am guessing Vince or Samantha have the final say on these points.

Hi, Thanks for checking. Overall looks fine to me, no comments that need everyone to discuss.

Subject: Draft IASD email

Hi folks-

I'm sending around an updated version of the draft BaP IASD review email for review (thanks Dahnish for sending me a template, and Vicki for reminding me). I've populated the list of major changes in the assessment and added a few comment bubbles for consideration.
